

November 24, 2020

Dear Residents, Family, Friends, and Staff:

As Thanksgiving quickly approaches, we want to wish you and your loved ones a happy and safe Thanksgiving holiday. Although, our holidays look quite different this year, we hope that you are able to find some joy this holiday season. We are thankful and blessed that you have chosen to be a part of the Solaris Healthcare Osceola family.

I also would like to update you on our COVID-19 status. We have one (1) employee that tested positive during this regular testing, however, has been on vacation and has not been in the building in greater than one (1) week. Residents continue to be COVID-19 free. General visitation will continue to occur outside and compassionate visits are unaffected. As always, you may visit our website for daily COVID-19 updates at solarishealthcare.org/locations/Osceola

We hope to see many of you at our car parade on December 11th. Please ensure you notify your Angel or someone in our Activities Department if you plan to participate.

If you have any questions or concerns, please feel free to reach out to myself, your assigned Angel, or our Director of Nursing. Happy Thanksgiving!

Sincerely,

Charlene Bedor
