

December 16, 2020

Dear Residents, Family, Friends, and Staff:

It's difficult to believe that Christmas is almost upon us! I would like to start this letter by expressing my appreciation and gratitude for each of you, and also for you choosing us to care for you or your loved one.

We received information that our step 1 vaccination clinic has been tentatively scheduled for January 5<sup>th</sup>, 2021. This clinic will be for all staff and residents choosing to accept the COVID-19 vaccination. In the coming days, our staff will be reaching out to our residents and/or their legal representatives to discuss the vaccine and to answer your questions to the best of our ability.

We did have 1 staff member test positive this week, however, that staff member has not worked in the facility in just over 2 weeks and will not be returning until cleared based on the CDC guidelines. In essence, we are COVID free since there are no cases in the facility. Feel free to check out website daily for our COVID status updates at [solarishealthcare.org/locations/Osceola](https://solarishealthcare.org/locations/Osceola)

As we continue to navigate the uncertainties related to COVID, we appreciate your ongoing support, patience, and understanding. From our Solaris family to yours, we hope that you have a safe and happy holiday.

Sincerely,

Charlene Bedor, Administrator
