Dear Residents, Family, Friends, and Staff:

I am writing today to update you on a change in our COVID status. We have had 3 residents that have tested positive. Those residents have been moved to a COVID positive unit for care for the next 14 days.

All residents will be retested again today and results typically take approximately 48 hours. All staff are being retested, as well, and will test again on Monday. At this time we have had no additional staff test positive.

You may view our COVID status at any time on our website at [solarishealthcare.org/locations/osceola](https://solarishealthcare.org/locations/osceola)

Please contact myself, your Angel, or the Director of Nursing if you have any questions.

Sincerely,

Charlene Bedor, Administrator
