

December 3, 2020

Dear Residents, Family, Friends, and Staff:

I hope this letter finds you well. The holiday season has begun and we look forward to sharing another holiday season with our residents. We look forward to the day when we can all celebrate together again.

We had one staff member test positive for COVID this week. The staff member does not provide care to residents and has not been in the building for approximately two weeks. On a happy note, we have had no residents test positive in several months.

We are looking forward to the Family Car Parade on December 11th at 10 am. If you have not already secured your spot with the activities department, please reach out to your Angel or leave a message with the receptionist that you plan to participate.

I would also like to take this opportunity to ask for your assistance during the holiday season. We often receive some beautiful holiday arrangements for our residents that include small trees, fir branches, poinsettia plants, and other flammable greenery. We ask that you please avoid sending arrangements that include those types of plants, and rather send arrangements for your loved ones with real or silk flowers.

We wish you a blessed and joyous holiday season and hope to see you all at the parade on December 11th.

Sincerely,

Charlene Bedor, Administrator
