

January 15, 2021

Dear Residents, Family, Friends, and Staff:

We had our second testing of the week for staff today. All staff are tested on Mondays and Thursdays each week at this time. One staff member has tested positive. The staff member is not in the facility and will self-quarantine until cleared to return per CDC guidelines.

All residents were tested on Tuesday and all have tested negative. Our last patient has been cleared to come out of the COVID positive unit this coming Sunday.

Our website is updated daily with our COVID statistics, and can be accessed at solarishealthcare.org/locations/Osceola.

Also, a reminder that our next Family Car Parade is on February 5th at 10 am. We look forward to see many of you! Please be sure to RSVP to our Activities Department, your assigned Angel, or the Receptionist.

Sincerely,

Charlene Bedor, Administrator
