

January 28, 2021

Dear Residents, Family, Friends, and Staff,

I am writing today to update you on our COVID status. We have 5 residents that have tested positive and 2 new staff positives. We are continuing frequent testing to ensure new cases are found quickly. We also employ the most up-to-date cleaning and disinfecting recommendations.

Out of an abundance of caution, we will be postponing the family car parade scheduled for February 5th. We want to ensure the safety of all residents, families and staff that will be participating. We also want all residents to have the opportunity to participate. We have rescheduled tentatively for February 19th at 10 am. We appreciate your understanding and cooperation as we work to make this a fun, safe and successful event for all to enjoy.

Our COVID status is updated daily on our website at solarishealthcare.org/locations/Osceola . As always, if you have any questions, please don't hesitate to reach out to your loved one's assigned Angel, our Director of Nursing, Assistant Director of Nursing or myself.

Sincerely,

Charlene Bedor, Administrator
